

August 24, 2009

This letter is to affirm that Research Data Analysis, Inc. (DBA RDA Group, Inc.) adheres to the seven principles of Safe Harbor and is Safe Harbor Certified with the U.S. Department of Commerce. Research Data Analysis Inc.'s Safe Harbor status can be verified on the U.S. Department of Commerce website at www.export.gov/safehrbr/list.aspx.

RDA Group understands and respects individuals right to privacy and has undergone strict measures to assure that all personally identifiable information is properly safe guarded. Further, RDA Group has developed processes and procedures that ensure compliance with our handling of all personally identifiable information. Our company's Privacy Policy is available at www.rdagroup.com/privacy_policy.asp.

U.S. companies participating in the Safe Harbor Framework are deemed "adequate" in terms of their provided privacy protection - as defined by the European Union Directive. Therefore, transfers of personal data from the European Union to Safe Harbor Certified companies are permitted by the European Commission.

If you have any questions regarding our Safe Harbor Certification, please feel free to call me at 248-332-5000.

Regards,

Donald A. Pietrowski
President
